Your Honor-

The Respondent has filed a Motion to Appoint Counsel. Respondent states that since the government is subsidizing the petitioners access to this court through the resources of the 20<sup>th</sup> Judicial Circuit Domestic Violence Unit, he requests an attorney be appointed for his continuing representation and equal access to the jurisdictional matters before the court.

How does Your Honor wish to proceed? A blank order has been attached for your decision, or this matter may be addressed at the hearing scheduled on September 28, 2015, if Your Honor prefers.

Thank you.
