Court Lee County, Florida

Your Honor-

The Petitioner is seeking an Order to Show Cause for a Violation of the Indefinite FJ for the following reasons. Petitioner states the Respondent has violated the FJ by resurrecting many of the websites that were the cause for the Petition for IFP and has resumes posts on Facebook. In addition, Petitioner states the Respondent has posted a link to the IFP hearing.

Do you consider these allegations to be sufficient for an Order to Show Cause to issue?

Thank you.
